For Bright Future Where All Dreams Come True...

Ningbo Corncomp Tech Co.,LTD specializes in R&D, manufacture and distribution of degradable compostable paper straws. Nowadays, Corncomp owns 8000 square meters manufacturing area , in which 5000 square meters are facilitated with GMP standard dusty-free workshop. It has invested 60 straw manufacturing lines and the annual production capacity is around 2.5 billion straws (around 3000 tons material).

Corncomp extends its distribution channel to all around the world, mainly in Europe, Australia, USA and South-east China. Based on good reputation in largest scale, high quality, full range catalogue, and world-edge technology, Corncomp is currently taking the leader in the paper straw industry in China and continously moving forward to provide world-edge products and best service to all clients.

Workshop
